

**'Smogallery's Christmas Picks' A collective exhibition**

*Gift ideas and Christmas trees designed by our selection of talented designers*

**Opening Reception: Tuesday 4 December 2012, 5-10 pm**

The exhibition will run until 4 January 2012

This year, Smogallery brings a breath of fresh air to weary Christmas shoppers looking for a new and more personal, 'arty' way to find gifts.

As of November 28, 2012 visitors can discover and buy new alternatives to the usual and mundane Christmas trees and gifts. For this occasion Smogallery is asking famous artists and designers to turn their creative imagination towards designing an object bordering between art & design whether sculptural or functional, which can be bought as gifts for friends and family during this festive season.

Works include limited edition series and unique pieces especially created for Smogallery from collector's cigar boxes, sculptural candles, and other contemporary and distinctive objects.

Participating designers: Mary-Lynn Massoud & Racha Nawam, Bokja, Dori Hitti, Najla El Zein, Marc Dibeh, Caline Chidiac, Kareen Asly & Sara Jaafar, Georges Mohasseb, Karim Chaya, Eva Szumilas, Gregory Gatserelia, Milia M, Henri Dakak Jr, Hania Rayess, Carma Andraos & Fabienne Habib, Marie Munier, Nathalie Khayat, Christina Debs, Zein Daouk Jabr & Selim Mouzannar.

Smogallery opens Monday to Friday from 10:00-6:00pm | Saturday from 2:00-6:00pm  
and/or by appointment
